Programs & Workshop News.

April 1, 2022 Program.

Elaine Sipes will present, “**DESIGNING AND CONSTRUCTING HANDWOVEN GARMENTS**” @ the Salida Methodist Church (288 E. 4th Street) – **Meeting Starts @ 9:30AM**

April 2, 2022 Workshop.

Below the information about the workshop is a registration signup form.

<https://www.heartofcoloradofiberartsguild.org/program-and-workshop-information.html>

April 2, 2022 - 9:00AM – 3:00PM \$75 @ Buena Vista Community Center, Pinon Room

Elaine recommends a minimum size woven piece to bring to class, but several yards will also give you more to work with. If you don't have handwoven, you can still participate with creating muslin patterns.

If you have a dress form to bring to class, that would be helpful and we can arrange closer to the time to have several sewing machines/sergers for group use.

BV Library Display (March 1 – April 30th).

*Special thanks to **Pat Hensley** for organizing & to both **Pat & Christie Sauer** for setting up!*

Designing Knit Sweaters that Fit. This 3-part workshop, being given by Pat Hensley, kicked off last Saturday. We are looking forward to seeing the results @ September's Show & Tell! *No pressure!* ☺

May Program.

Annual Challenge. (Any type of public decoration). *Send photos to Mara @ karmanghia64@gmail.com*

President's Message.

HCFG Website. Always check the HCFG website for the latest news: <https://www.heartofcoloradofiberartsguild.org/>

Nominations Committee. I need two+ lucky folks to volunteer for this rewarding position! Also, kindly let Laura know if you would like to serve on the Board for 2022-23, Thx! Laura Deer ldeer007@gmail.com

2022-23 Board. Please be sure to attend the May meeting (**location TBD – see website**), not only to participate in the Annual Challenge but also to fulfill organizational obligations of electing a new Board!

Humor.
